Pittsburgh

200 Federal Street • North Shore

2100 East Carson Street • South Side

(412) 481-2110

Mullen's Bar & Grill in Wrigleyville opened in February of 2002, continuing a family tradition of opening friendly neighborhood restaurant/pubs that dates back to 1958. Following successful endeavors in Roger's Park, Wrigleyville, and Lisle, the Anton family set their sites on a new location across from PNC Park in Pittsburgh, PA. This location is in the heart of the North Shore and is walking distance to PNC Park, Heinz Field and the new Rivers Casino.

The Mullen's name was inspired by a family friend, Officer Jim Mullen of the 24th District in Roger's Park, where he provided dutiful service during his tenure. In 1996, Jim was forced to retire after he was seriously wounded in the line of duty. His continuing zest for life, humanitarian efforts and optimism in the face of adversity are an inspiration and we feel proud and honored that our establishment bears his name.

We want to be YOUR bar, Pittsburgh... Whether you are on the South Side hanging out, or on the North Shore for a game or event... Make sure you stop by and say hi and... Meet me at Mullen's!

Thank you!
